Fu... of course... I'm the type of guy that makes women burst by molesting them. I'll be suspended as a hero... No, forget that, I'll be suspended as a human, and then... I'll be arrested as a criminal. After an investigation is carried out, a vicious one that beats me down repeatedly, I'll be shown in the newspaper and won't be able to live in society anymore... My final act would be walking aimlessly in the middle of the wilderness, and babying myself... My body is unrecognizable, and my existence is over... A fitting end for someone like me...
